

In Memory of G. Paton

Research Note:

I cannot find any trace of G. Paton.

The remembrance plaque in the church does not include his name.

There was a family in Colchester 1901 but the name seems to be of Scottish parentage.

There are many Paton's in the CWGC records, almost all of men in Scottish regiments and Scottish homes.

If anyone has any information on G. Paton , please get in touch with the Webmaster.
